We do have contact information for staff. Missy prepared small laminated cards with everyone's contact info. We will ask her to get you one. In the meantime if you need to reach Brian here is his info.:

Which brings up a good point. Do we have contact information for our attorneys? My preference will always be to avoid contacting staff on the weekends, but sometimes it may be unavoidable.

He has the most knowledge, including OGC's take, and may be helpful in discussions with Federal Highways and CDOT. Given it is the weekend, he may not be able to but I think he would appreciate the call.
